

ULTIMATE OFF ROAD ENDURO RACE

RULES AND REGULATIONS

Tech opens at 9:00 AM the morning of the race.
Tech line closes 1 hour before races are scheduled to begin.

- **Driver and co-driver MUST HAVE DOT or greater approved helmet, long sleeve shirt, eye protection, full length pants, gloves, and closed toed shoes. NO EXCEPTIONS.**
- Vehicles allowed: Any compact car, 4-cylinder or 6-cylinder. The 4-cylinders WILL NOT be allowed to run in the 6-cylinder class. No midsize or full size cars. Mini Trucks/SUV may not run 4x4. Must have front or rear drive shaft removed if 4x4. 6-cylinder max. Call if not sure on car selection.
- No trailer hitches of any kind. Must be removed.
- Must have properly mounted and working seat belts.
- Must have working brakes (pedal must be solid).
- Battery must be mounted solid. Relocating is okay.
- Fuel tank MUST BE solid and safe. Relocating is okay, but must be mounted solid and covered. If fuel line replaced, must use high pressure line on EFI cars.
- Hood and trunk must be secured with chain, wire, or bolts. Trunk may be welded. Hoods must have 12"x12" hole for fire safety.
- Doors must be welded, chained, wired, or bolted shut. If door comes open, it will be an automatic disqualification. Door reinforcement highly recommended.
- Bumpers may be reinforced. No exposed frame rails. No sharp edges. Bumpers cannot extend past the sides of the vehicle.
- All glass must be removed. Windshields and mirrors are allowed. If windshield is removed, you must have a support bar from dash to roof. All rear glass, side glass, headlights, tail lights, and side markers must be removed. All broken glass must be removed from inside of car.
- Roll Cages: Truck/SUV class is REQUIRED to have a 4-point roll bar, mounted securely behind the front seat. Other classes are REQUIRED to have a post, or other style rollover bar behind the front seats.
- Exhaust must be safe. Exhaust out of hood allowed. Preferably LOUD!
- Tires: Any tires are allowed. No chains or studs. All cars must have four tires.
- Race car must be numbered. Number must be upright and located on the roof of the vehicle. Must be able to crush if vehicle rolls. Numbers must also be on both doors. Must be easily visible.
- Remove all sharp edges and trim. No sharp edges on reinforcements.
- Must have full, safe floor pan. Seats must be securely mounted.
- Inspectors have final authority in ALL matters.
- All rolled or damaged cars are subject to inspection by officials.
- All cars must be able to shut off and start up before entering the track.
- Driver subject to black flag if any object falls off of race vehicle onto the track.
- No back up cars. One car per driver per class.
- **NO ALCOHOL IN THE PIT AREA!** If alcohol is found, it will be confiscated and not returned.
- Rules may be subject to change.

POWER WHEELS: Please keep it simple! This is simply for the kids to have fun!
