SECTION I - EXHIBITORS:

1. Each exhibitor must purchase a **\$5.00 entry ticket**, which is good for admission to the grounds for your car or truck at any time. Entries are open to anyone. You do not need to live in Nicollet County.
2. The Nicollet County Fair Board will not be responsible for any personal injury sustained by any exhibitor, employee or patron, or for damage to any animal or property of an exhibitor, employee or patron.

2. The awards or entries shall be designated by ribbons or cards as follows: first premium-blue, second-red, third-white or participant-rainbow.
3. All entrants must accept the judge's decision as final and may not interfere with the judging process.
4. No appeal from the decision of the awarding committee shall be allowed. An exhibitor may make protest to the Superintendent of the division at the time of the award, who may then require the judges to give reason for such placing.
5. Sweepstakes ribbons will be awarded to those meriting the ribbons. Sweepstakes rosettes include Champion-purple, Reserve Champion-pink, Overall Champion Rosette-purple or Reserve Overall Champion Rosette-pink.
6. Special premiums may be offered by interested persons for entries which conform to the general classification of the Fair Board.

They will not be mailed unless you supply a self-addressed, stamped envelope at registration.** All checks must be cashed within 30 days or the check will be void and the premium money forfeited. This is necessary because the Secretary and Treasurer must submit all records to the State Public Examiner for Audit before September 1st.

SECTION IV - LIVESTOCK DEPARTMENT EXHIBITORS:

1. Livestock entries will be accepted until facilities are filled. Livestock entries must be accompanied by health certificates. The Superintendents reserve the right to reject entries that are received after the available barn space is taken. Be sure to state amount of barn space needed, and enclose remittance to cover the entry and hold barn space for you.
2. The closing date for livestock entries will be when barns are full. Cattle must have a "registration paper" indicating 50 percent or more purebred blood; hence "grade" animals are allowed if they have a grade ID registration.
3. Stock must be entered in the name of the bona fide owner(s).
4. Exhibitors must keep their stock, stalls and pens in good, neat condition and open for inspection from 10:00 a.m. to 10:00 p.m.

6. Each entry tag shall be securely attached to the entry itself, or the stall, pen or receptacle in which it is shown.
7. An entry fee of \$5.00 per tie for all cattle will be charged. Entry fee must accompany all entries.

11. Open class judging will be as noted in each division. Open class livestock will not be judged for herdsmanship.

12. No animal shall compete for more than one premium, except livestock competing in teams or groups. This rule shall not debar sweepstakes or special premiums competition for which no entry is required.
13. No person shall be permitted to enter show ring during the making of awards except the judges, necessary officials and persons in charge of stock. The Superintendent must enforce this rule.
14. No person can be Judge in any case where he or she is an exhibitor.
15. No article or livestock on exhibition will be permitted to leave before the close of the fair, under penalty of forfeiture of premium. **All entries must be kept in place until 3:00 p.m. on the final day of the fair, Sunday, August 13, 2023.**
16. An exhibitor may show only two animals in any individual lot, and only one herd or one group in any one lot of herds and groups. For produce of dam and get of sire, there is no limit on the number of entries, but there is a limit of two premiums per exhibitor.
17. As a result of resolutions approved by the Minnesota Federation of County Fairs and the Minnesota State Agricultural Society, the Minnesota Livestock Sanitary Board has adopted rules and regulations to require that livestock exhibited at county fairs meet the same requirements as the rules in effect at the State Fair. These rules and regulations were deemed advisable for the protection of the health of domestic animals and poultry of the State and to prevent the spread of infectious and communicable diseases. The rules and regulations are as follows:
 - a. All public exhibitions or shows of livestock and poultry, including state and county fairs, with the exception of those located in the public stockyards at South St. Paul, which is under federal supervision, shall be under the supervision of the Minnesota State Livestock Sanitary Board.
 - b. The management of such exhibition shall provide the services of a duly licensed veterinarian shall be approved by and authorized as the representative of the Minnesota State Livestock Sanitary Board to administer these rules and regulations at each exhibition.
 - c. All exhibitors shall be required to present their health certificate to the official veterinarian.
 - d. All buildings, including exhibition halls or rings, stables, yards and pens, shall be thoroughly cleaned and disinfected with an approved disinfectant under the supervision of the veterinarian prior to the exhibition.
 - e. All poultry and other birds, including parrots, parakeets and love birds, shall be free from symptoms of pollorum disease, fowl plague, fowl cholera, infectious laryngotracheitis, fowl pox, coccidiosis, tuberculosis, psitticosis and other infectious and communicable diseases.
18. Exhibitors are expected to furnish their own feed, hay and straw or shavings.
19. Sires, dams and groups entered as such must be owned by the individual or firm exhibiting them, but the progeny of the animals may be shown simply as proof of their breeding qualities without such ownership.
20. Calves under two months of age at the time of exhibition will not be eligible for competition.
21. Disqualification or the handling of unsound animals will be up to the discretion of the judges.

22. All animals on exhibition shall be shown to the judges under the supervision of the respective Superintendents.
23. In all cases that call for registered stock, all animals over one year old must be accompanied by certificates or registry showing that the animals are properly registered in the stud book, herd book, or flock book, which is organized as being authentic for the breed that the animals are purported to represent.
24. Purebred animals under one year of age should not be required to show certificate of registry, but the exhibitor of such animals should be required to give a certified statement that both sire and dam of such animals are properly registered purebreds.
25. All clipping chutes must be taken down immediately following use.
